A big Thank you to our past officers, committee chairs, and committee workers for their dedication and hard work to make this past year a success. We appreciate and thank you for your leadership!

****ATTENTION**** We are currently working on filling positions for class reps. Class reps are needed for 6th grade on up to 12th grade. If you would like to be involved, but you are only able to help a few times a year, this may be the position for you. Class reps are responsible for calling parents within their class when volunteers are needed for things such as the donut booth, Hi-Lights Concert, Fine Arts Festival, etc. We are looking for 3-4 parents per class to make this as easy as possible for everyone. **We need you!!** Please contact Laura Beard president@lancerband.net if you're interested in helping us make this a memorable, positive year. Thank you!
