

Concert Uniform and CHARMS Reminder

Parents and Students,

As you know, when we began this school year, we did not know what the results of the November levy would be. We weren't 100% sure that the year would go according to the typical plan of Marching Band, Concert Season, Spring Concert, etc. Because we did not know at that time, we intentionally left the required Tuxedo Shirt and Bowtie *off* the "Concert Season Items" on the Uniform Order Sheet.

Now that we *are* able to proceed with our Concert Season performance in March, we need to get the required Tuxedo Shirts and Bowties ordered and paid for. The Concert Uniform consists of the marching band pants, marching band jacket, tuxedo shirt, bowtie, and black socks/band shoes. If you already have a tux shirt and bowtie, you won't have to pay anything additional. It is my guess that ALL freshman will, however, need to pay for their tux shirt/bowtie. **Just like Marching Band, students will *not* be permitted to perform in the *required* concert (March 10th, 7pm. Check Calendar at www.lancerband.net or on Charms) without proper uniform.**

All freshmen were fitted for these shirts at their uniform fitting this summer. It is my plan to order the shirts/ties and distribute them to students when they have been paid for (either through Charms credit or an actual submitted payment). The Tuxedo shirt alone is \$18, and the bowtie is \$2, making the total for students who need both \$20.

Please be aware that the \$20 fee will appear on each students' Charms account shortly. (PLEASE check Charms to make sure you don't still owe the Band Boosters money!).

Let me know if you have any questions or concerns, or if you have problems logging on to Charms. ALL Charms information needs to be UPDATED to reflect CURRENT phone numbers, etc.

****REMEMBER: Check what you owe and PAY YOUR FEES ONLINE!!!****

Thanks!
